Inspector General's Recommendation Number 29, Page 107, Section II

Recommended DDCI Action: Approve

Inspector General's Statement

Recommended that:

25X1 "The Chief, [] enforce [] which 25X1
requires that consultants not be given supervisory
or administrative duties, or if a particular individual
cannot be replaced that an exception be requested in
his case from the Executive Director-Comptroller."

DD/P Comment

25X1 Concur. In the particular case leading to this
25X1 recommendation use of the individual cited appears
to be governed by the provisions of [] rather
than [] and the General Counsel has been
requested to render an opinion in the matter.

25X1 Excerpt from []:

"The technical representatives and other types of
personnel engaged under industrial contracts or
agreements which do not create a direct employer-
employee relationship are prohibited by law from
holding formal organizational positions or positions
requiring the exercise of administrative authority."
